PLAN STAKEHOLDER VALIDATION WORKSHOP**

The development of the final draft KEPHIS 2023-2027 Strategic Plan has been finalized and is ready for stakeholder validation. The document provides the road map for meeting our Vision of **"Excellence in Plant Health and Quality Assurance in Agriculture"**.

In developing this Strategic Plan, the Corporation has taken into consideration key Government priorities as outlined in the Constitution of Kenya 2010, the Vision 2030, the Bottom-up Economic Transformation Agenda (BETA), national, regional and international policies and regulatory frameworks, the Ministry of Agriculture and Livestock Development (MOALD) Strategic Plan, the Agriculture Sector Transformation and Growth Strategy (ASTGS) and other relevant policy documents.

In order to further enrich the Strategy, KEPHIS is inviting you to the planned stakeholder validation workshop to create an opportunity for your valued input and comments. The workshop is scheduled to be held on **Tuesday, 21st November, 2023 at Radisson Blu Hotel, Nairobi starting at 08.30 a.m.** The draft document is hereby enclosed for your perusal and reference prior to and during the workshop.
